History

1999

Opening of the first workshop of Furniture Factory "NOVA" with the area of 300 m².
Number of workers – 9 people.

2000

For the first time in Ukraine was introduced the technology of the production of MDF facades of various configurations and heat-resistant surfaces of kitchen sets.

2001

Furniture Factory "NOVA" put into operation new workshop specializing in lamination of wood particle board Class E-1, which helped to improve quality and reduce the cost of production.

2003

The volume of production increased by 2.4 times. That year was introduced a unique technology that allowed to create three-dimensional image on the MDF panels.

2006

Gross profit increased by 27.5% compared with the previous year. Representative offices of the company are located in all regions of Ukraine, as well as abroad.
