

Getting qualified help
should be as easy as buy
a donut.

Are you tired after work?

Would like to spend more time with your family?

Don't have enough competence?

But you need to get work done and enjoy free time with whom you love?

There are a million reasons **you hire temporary help** for you and your family like handymanm, nail care, cleaning of the apartment, moving stuff or home delivery.

And most likely the only **one service** which can help you to find **top qualified performers in time** with the most **suitable budget** for you and your family!

What is VsemOK.com

We are sharing economy platform like Uber in small daily tasks.

Everyone can be a performer in our life with their skills that work best!

Free schedule. Everyone can work in their free and convenient time on tasks that person chooses himself.

Decent work. Person chooses what tasks to perform and how much to earn.

Proximity to work. Performer can only select tasks that are close to you.

Safe work. We help everyone give the opportunity to work and be sure that his work is insured.
